Core Languages:	PHP , Javascript, Python
Front-end development:	ReactJs, HTML, CSS
Backend development:	Laravel, vanilla php, JavaScript
Databases:	MySql
Other:	Git, Github
Soft Skills:	Problemsolving, Collaboration, Timemanagement, Openminded, Adaptability

PROFESSIONAL EXPERIENCE

Networking

Bitvision Technologies

2024

- I played a key role in network installation and configuration for clients.
- I was actively involved in network setup and configuration tasks.
- I gained a strong understanding of networking principles while delivering hands-on technical support.

Software development

Bitvision Technologies

2024

- I contributed to software development projects by coding, testing, and debugging various

web-based applications.

- I collaborated with the development team to improve functionality and resolve software bugs.
- In turn I gained hands-on experience with full-stack development practices during real-world client projects.
